THE STUDENT ASSOCIATION HANDBOOK

EDITORIAL

Since 1922, the Student Association of The Massachusetts School of Art has been the center of extra-curricular activities within the school. Through loss of students to the armed forces, and other curtailments due to the war, it has been unable to function to the extent that it has in other years. We must realize, however that it is the duty of these classes, fortunate enough to be able to continue their training, to exert themselves at all times in support of this organization. In this way, the Student Association will continue to exist for future classes.

I wish to thank Mr. Palmstrom, Mr. Thompson, Phil Riehl and Hubert Lieberman for their assistance.

THE STUDENT ASSOCIATION

The present Student Association was organized in 1922 on a plan presented to the school by the principal, Mr. Royal B. Farnum. While it is not precisely a student government, the Association has many of the functions of such an organization and is an integral factor in student life. It is primarily an agency for the promotion and supervision of social life and extra-curricular activities, and it has sole control of the financial affairs involved in student enterprises.

The political structure of the Association consists of two inter-related units: the Council of the whole and the Advisory Board. The Council of the whole is the entire membership of the Association, which includes every student in the school. The legislative power is vested in this Council, and it must pass on all amendments to the Association's constitution and may make decisions on important questions affecting

the policy of the Association. The executive power is possessed by the Advisory Board. This Board includes the Association officers, the class presidents, the heads of the various student organizations, and a faculty committee. It has the general direction of all student activities.

One of the most important duties of the Association is the administration of finances for the various school organizations. The funds received annually from the collection of membership fees are budgeted among the different classes and clubs. Each organization is credited with a specified sum and its expenses are paid from this amount by the Association treasurer as requested by the organization's treasurer. This method centralizes responsibility and simplifies business relations between school organizations and outside concerns.

CONSTITUTION AND BY-LAWS OF THE STUDENT ASSOCIATION

Massachusetts School of Art

ARTICLE I — Name

This organization shall be known as the Student Association of the Massachusetts School of Art.

ARTICLE II — Purpose

The purpose of this organization shall be to represent and further the interests of the student body — to encourage self-government — to promote responsibility, loyalty, school spirit, and cooperation between student and faculty.

ARTICLE III — Membership

Section 1. Membership in the Student Association shall be obligatory for all students, both regular and irregular, except as in such cases as may be heard by the President of the School.

Section 2. Faculty members may have the right to become members of this body.

ARTICLE IV — Officers

Section 1. The officers of the Association shall be a president, vice-president, secretary, and treasurer.

Section 2. These officers, the chairmen of Standing Committees, the presidents of the senior, junior, sophomore, and freshman classes, together with three faculty members, shall constitute a Board of Directors.

Section 3. By vote of the President's advisory Council, no student having deficiency ratings or those repeating any subject shall hold office in the Association or any school organization. Those having deficiency ratings and those repeating any subject shall receive written consent from the Dean and approval of the President before serving on a committee or taking part in any school activities such as plays, pageants or concerts. No student shall hold more than one office at any one time.

Section 4. Presidents and chairmen of all school organizations shall report the names of all officers and committees to the President of the School on the day following an election or appointment.

ARTICLE V — Meetings

Regular meetings of the Association shall be held the first Wednesday of each month. The April Meeting of the Association shall be the annual meeting.

ARTICLE VI — Amendments

The constitution may be amended at the annual meeting by a two-thirds vote of the members present and voting provided (1) the proposed amendment has first been presented to and approved by the Board of

Directors and the President of the School and (2) that the proposed amendment is written and posted for two weeks for the consideration of the student body before being voted upon. Ratification of an amendment must be by a ballot, on which the amendment is printed in full.

BY-LAWS

ARTICLE I — Board of Directors

Section 1. The Board of Directors shall have control and management of the affairs, funds, and properties of the Association.

Section 3. There shall be an Executive Committee of the Board of Directors consisting of the president, vice-president, secretary, treasurer, and one faculty member to act in emergencies.

ARTICLE II — Duties of Officers

Section 1. President. The President shall preside at all meetings of the Association and Board of Directors. The president shall sign all contracts and obligations of the Association recommended by the Board of Directors and passed by the Finance Committee. The

president shall act as chairman of a committee for the Christmas Festival and shall be a member ex-officio of all committees.

Section 2. Vice-President. The Vice-President shall perform the duties of the president in his absence. The vice-president shall be editor of the Student Association Handbook and shall act as chairman of a committee for the Annual Student Association Outing.

Section 3. Secretary. The secretary shall keep a record of all proceedings of the Association and the Board of Directors. He shall render a report at the regular monthly meetings and at the Annual Meeting. The secretary shall attend to all correspondence and shall post a notice of meetings at least three days in advance. In June of each year the secretary shall deposit his books with the school book-keeper.

Section 4. Treasurer. The treasurer shall keep the membership roll of the Association. He shall receive all funds and shall pay all bills of the Association when duly approved by the Board of Directors, signed by the president and chairman of Finance. He shall keep an accurate account of all receipts and disbursements as authorized, with vouchers for same, and shall render a report at the regular monthly meetings and at the Annual Meeting. In June of each year the treasurer shall deposit his books and vouchers with the school book-keeper.

Section 5. Faculty Members. The three faculty members shall attend all meetings of

the Board of Directors and Student Association. They shall be authorized to vote. These members together with the President of the School shall constitute a committee having the power of veto for any action or transaction which in their estimation is not for the best interests of the school.

ARTICLE III — Meetings

Section 1. The Association shall have charge of at least one assembly each month.
Section 2. The Annual Meeting shall be held in April.

Section 3. A meeting of the Board of Directors shall be called by the president the second Wednesday in October, at which time requests for appropriations will be heard. Any matter which should come before the Board of Directors for consideration may be presented through an authorized representative of any school organization.

Section 4. The regular meeting of the Board of Directors shall be held at 3:50. This meeting shall take place on a definite day each month, such day to be designated by the president of the Student Association.

Section 5. Special meetings may be called at the discretion of the president and faculty members.

ARTICLE IV — Elections

Section 1. At the annual meeting the President, vice-president, secretary, treasurer, chairman of finance, and one faculty member

ARTICLE V — Committees

Section 1. There shall be the following standing committees: Membership, Nominating, Assemblies, Finance.

Section 2. The membership committee shall consist of four members, one to be chosen from each class. It shall be the duty of this committee to arouse interest in the work of the Association, and to secure 100% mem-

Section 3. The Board of Directors shall serve as a nominating committee. It shall prepare a printed ballot of officers to be elected and shall present it to be voted upon at the Annual Meeting.

Section 4. The president of the Association shall act as chairman of the Assemblies Committee, shall conduct the business and arrange the programs for the assemblies assigned to the Student Association. He may appoint his own committee.

Section 5. The Finance Committee shall consist of three members: a senior, the treasurer, and the faculty member appointed by the President of the School. It shall be the duty of the Chairman of Finance to secure the approval of the Board of Directors and the signature of the president on all proposed expenditures and bills before payment by the treasurer. The Chairman of Finance may in an emergency issue an order to the treasurer for an amount not to exceed $5.00. Such an order may be given once only to the same person, who must be endorsed by a faculty member and officially connected with a school activity which has been granted an appropriation. Vouchers for the expenditures for same must be returned to the treasurer.

ARTICLE VI — Dues

Section 1. Dues shall be eight ($8.00) dollars annually for all students.

Section 2. Dues shall be four ($4.00) dollars annually for all faculty desiring to become members of the Association.

Section 3. A person taking one half the regular time or less will be permitted to pay a four ($4.00) dollar fee at which time he must indicate whether it is to go to socials or the Year Book. This decision is to be final.
Section 4. Dues are payable the first two weeks of the school year.

ARTICLE VII — Tickets

Section 1. Payment of dues entitles the student to a membership book. The tickets from this are to be presented for admittance to all school functions.

Section 2. If a membership book is lost a new one may be obtained from the treasurer upon payment of twenty-five cents.

ARTICLE VIII — Funds

Section 1. The anticipated yearly income of the Association shall be computed on the basis of the number of registered students, and the total less the fixed sums of:

Section 2. The Reserve Fund shall be drawn upon only in extreme emergencies and according to the regular procedure. (The Reserve Fund is included in the Social and Miscellaneous Funds.)

Section 4. Money left in the budget of the Freshman, Sophomore and Junior Classes at the end of the school year shall be carried over and credited to said class for the ensuing year. Money left over by the Senior Class shall revert to the Association Treasury.

The Art School Associates Incorporated. . . . It has been called the "school store". . . . The student body leans over its counter to purchase working materials and books . . . while a group of the students, the inner workings of the organization, serve behind the counter. . . . Each year the profits from student purchases complete the cycle in the form of scholarships.

This year, with our smaller enrollment, our many outside activities and our reduced budget, The Student Association has been unable to support the various clubs which have been organized in other years. However, this page is included in our hand book to remind us of the student activities of other years, with the hope that they may be reorganized and enjoyed by the students in the near future.
